Dear Sirs,

Cityringen - MSS for Fibre Reinforced Polymer Bars Supplied by ATP

Item: Material Specification Sheets
CMT Ref.: CR-CMT-CW-COV-0743

We confirm that we have received and reviewed the following material specification sheets:

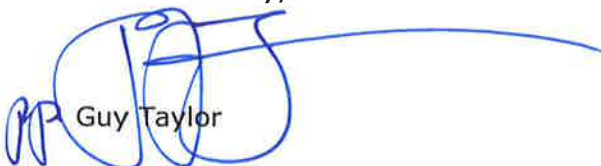

Material name	CMT specification reference	Version
Fibre reinforced polymer bars (ATP)	CR-CMT-STA=Gen-CP-CST-SPE-10017	1.0

We hereby accept fibre reinforced polymer bars from ATP as proposed in the document above for use on the project.
